

Welcome: start here

This pack has what you need for the first week: an alphabet chart, a vowel-marks card, and Unit 1 (the first six letters).

1 Print

- A4 paper, portrait, "actual size". Black and white is fine.
- Pencils (HB) and a rubber for the child. A soft pencil is easier to trace with.

2 Sit down

- 10 minutes, once a day. Stop while the child still wants more.
- Sit on the child's left so your hand does not hide the page.

3 Remember three things

- Urdu goes **right to left**. Start on the right of the page.
- Letters **join**, and change shape. The chart shows all the shapes.
- **Body first, dots last**. Write the whole word, then add the dots.

4 What is inside

1. Alphabet chart in teaching order (2 pages)
2. Vowel marks card
3. Unit 1: guide, trace sheets for the six letters, look-alikes, join the letters, reading practice, unit check, answer keys

More sheets for every unit are in the app, under Practice sheets.

Alphabet chart: the order we teach

Unit 1: The first six

پہلے چھ حرف

1 In this unit

Joiners vs the non-joiner alif; alif as long ā; the three short-vowel marks zabar, zer, pesh.

How long: About 3 hours for a child, 1.5 for an adult. Do 10 minutes a day, short and happy.

2 What to say and show, letter by letter

	Say	How the pen moves	Often mixed up with
ا	alif الف 'a' in father when long	one stroke, top to bottom	lām
ب	be بے 'b' in bat	start top-right, shallow bowl leftwards, hook up; dot last	nūn
ک	kāf کاف 'k' in kite	base stroke first, right to left, then the sloping cap on top	none yet
ل	lām لام 'l' in log	tall stroke down, curve into the bowl	alif
م	mīm میم 'm' in mat	small loop, tail down-left	none yet
ن	nūn نون 'n' in net	deep round bowl; dot last	be

3 How to use the sheets

1. **Trace and write:** one page per letter. Start at the dot, follow the arrow; body first, dots last.
2. **Look-alikes:** circle the same letter, then sort by dots.
3. **Join the letters:** standing letters into a joined word.
4. **Read and match:** word to meaning.
5. **Reading practice:** words, sentences, story.
6. **Dictation:** the grown-up says it, the child writes it.
7. **Unit check:** 10 questions. The answer key is the last page of the unit-check PDF; in the unit pack the keys are on the last pages.

4 How to check

- **Letters:** cover the sound, point to the letter, the child says it. 3 of 4 right is a pass.
- **Writing:** look at the start dot and the direction, not at how pretty it is. Right to left, body first, dots last.
- **Unit check:** 8 of 10 means go on. Under 8: redo the look-alike and trace sheets, try again tomorrow.
- **Praise effort:** "you started on the right", "good dots". One sheet a day beats five at once.

5 A 10-minute sitting

2 min warm-up: point to last time's letters, the child says them. **5 min** the sheet of the day: say it, trace it, write it. **3 min** read it back together and end on something done well.
