	Say	How the pen moves	Often mixed up with
س	**sīn** سین 's' in sun	three teeth right to left, then the bowl	shīn

گ	**gāf** گاف 'g' in go	base stroke first, right to left, then the sloping cap on top	kāf

3 How to use the sheets

1. **Trace and write**: one page per letter. Start at the dot, follow the arrow; body first, dots last.
2. **Look-alikes**: circle the same letter, then sort by dots.
3. **Join the letters**: standing letters into a joined word.
4. **Read and match**: word to meaning.
5. **Reading practice**: words, sentences, story.
6. **Dictation**: the grown-up says it, the child writes it.
7. **Unit check**: 10 questions. The answer key is the last page of the unit-check PDF; in the unit pack the keys are on the last pages.

4 How to check

- **Letters:** cover the sound, point to the letter, the child says it. 3 of 4 right is a pass.
- **Writing:** look at the start dot and the direction, not at how pretty it is. Right to left, body first, dots last.
- **Unit check:** 8 of 10 means go on. Under 8: redo the look-alike and trace sheets, try again tomorrow.
- **Praise** effort: “you started on the right”, “good dots”. One sheet a day beats five at once.

5 A 10-minute sitting

2 min warm-up: point to last time’s letters, the child says them. **5 min** the sheet of the day: say it, trace it, write it. **3 min** read it back together and end on something done well.
